Nomination Process

All nominations are open to the public. Nomination forms are available on the Carlisle Activities website, as well as, the Activities Office at Carlisle High School. Once a nomination is made that person is forever nominated. For consideration to any given induction class, nominates must be made prior to the first meeting date of the Carlisle High School Hall of Fame

Committee. Nominations received after the initial meeting date for a given year will not be considered until the following year.

Each year the Hall of Fame Committee meets to review past nominations and considers any new nominations made since the last induction class. After open discussions about candidates, a vote will be conducted for the purpose of choosing inductees. Each committee member shall rank candidates in order of desired induction preference, with the top candidate receiving the lower number of points. The voting of the committee will be confidential.

Inductees will be announced at a pre-determined time following the final selection process and after the individuals have been contacted and indicated that they will be present or represented at the induction ceremony.

Induction Ceremony

The Hall of Fame Induction Ceremony shall be held each year at a home basketball game as determined by the committee.

Awards
