Carlisle High School

ADMINISTRATION

BOARD OF EDUCATION

L. to R.: Marion Goodhue, Mrs. Faye Sours, Secretary;
Dr. F. D. Wertman, Gerald Randleman, President;
Lee Cummings, and Claude Lang

During the past year the Board of Education has been very busy with a number of things. The county board of education and the county superintendent suggested that the Carlisle District should consolidate with Allen Township in Polk County, Union and Scotch Ridge in Warren County to make a larger and more economical district. The committee for this work included Mr. Randleman, Mr. Ben Miller, and Mr. Wenberg.

When the election was held and the reorganization carried, the Carlisle board had to resign to make room for the new board to represent the whole district. The three members of the Carlisle board who did not run for the new board were Frank Arnold, Ben Miller, and John Smith.

During this year Henry Owens completed 46 years as the secretary for the school board. On his retirement the board had a little party to celebrate this long tenure of service.

The rest of the year will be busy for the new board in planning how and what expansion will be needed to take care of the enlarged enrollment of pupils in the district.

We, the members of the class of 1953, of the city of Carlisle, county of Warren and state of Iowa, being of sound mind and memory, do hereby, make, publish, and declare this to be our last will and testament hereby revoking any will or wills heretofore made by us.

First, We direct that all our just debts and expenses be fully paid.

Second, Our special talents and possessions we will individually as follows:

Jack Dawson wills his ability to use his brain to get out of work to Gilbert Hans since he spends most of his spare time studying.

Dorothy Nicholls wills her flirting ways to Jeanette Prall since she is so quiet and never flirts.

Jim Wistrom wills his ability to play basketball to Jarvis Owens so he can make a star of himself during his senior year.

Adrian White gives his ability to get into trouble to Darrel Heaberlin so the next senior class will be lively.

Kenneth Overton gives his willingness to come to school to Ted Tinlin so he can have a perfect record one year in high school.

Tommy Thompson wills his ability to talk to Joe Lang so he can get over his bashfulness next year.

Marilyn Holland wills her ability to always be busy writing letters to Shirley Gamble since we know she never writes any.

Kay McKissick wills her ability to never make up her mind about her boy friends to Arlene Thomas and maybe she can by next year.

Margaret Scobee wills her ability to get a man in the navy to Martha Wilt since she doesn't have one.

Betty Town wills her quiet lady-like ways to Yvonne Michaelson because we have heard she is so noisy.

Gloria Miller gives the editorship of the gossip column to Bertha Lang so she can find out what goes on at school.

Virginia Rothfus wills her ability to write essays and stories to Bill Houseman because he seems to like them so much.

Jerry Triplett gives his job as class crooner to David Goodhue since he never sings anything and needs to use his voice.

Carole Thomas wills her place in sextet to Velda Overton so it will be complete next year.

Donna Ruggles wills Leon Burk back to the junior class so it can get better attendance from him.

Mary Lou Ford wills her ability as a speedy typist to Bill Betts who we hear can use it.

ATHLETICS

FOOTBALL

Front: Triplett, Wistrom, Randleman, Goodhue, Betts, Galloway, Bishop
 Back: Janssen, Cummings, D. Sweeney, White, Tinlin, Coach Stansberry, Dawson, Wilson, Lang, B. Sweeney, Ballard

Carlisle had fifteen letter winners in football during the past year. They were Jim Wistrom and Jerry Triplett, co-captains; Jack Dawson, Ted Tinlin, Jerry Randleman, Don Wilson, Jerry Bishop, Joe Lang, Dick Sweeney, Bob Sweeney, Larry Keeney, Eddie White, Bill Betts, David Goodhue, and Steve Galloway.

The team did not have a very good record, losing 6 and tying 1. The boys from Carlisle might have been outsmarted, but they were never outfought. Carlisle was short on man-power with the first eleven boys playing both offense and defense most of the time. As a result, the boys tired as the game went on, and were beaten.

Carlisle played its best game against a much larger and more experienced Leon team. The boys of Scarlet and Gold were leading 7 to 6 with only 4 minutes to play in the game, when Leon pushed over a touchdown for its winning tally.

All in all, although lacking experience, depth, and manpower, the boys of Carlisle High played a lot of good football.

The Record:

7	Leon	12
6	Johnston	39
7	Pleasantville	26
6	Garden Grove	27
