"This New House"

Doors Are Open for Opportunity

TO OUR COACH, OUR TEACHER, OUR FRIEND.....

Robert L. Spencer

"Bob" as he is known to faculty and friends has developed a track squad from 10 in his initial year to 77 this past season.

As the girls' head coach he has developed the entire squad, taking deep interest in training each girl on the squad. He has shown much success in building a physical education program worthy of acclaim.

Promotion of the WILDCAT RELAYS is Coach Spencer's annual spring track spectacular and creates much interest in the Carlisle community. His genuine love and concern for youth is unequalled.

The WILDCAT staff S A L U T E S our "Bob", "all-around coach" and outstanding teacher.

Board of Education

STANDING: Mr. Roy Reeves, Superintendent; Mr. Bill Wittkowski, Mr. Kenneth Miller. SEATED: Mrs. Ann Fleming, Mrs. Ida Viers, Secretary of the Board; Mr. Leslie Woodall, President; and Mr. James Wilt.

Social Science Department

Left to right are MR. GEORGE PLAGER, MR. DONALD KINGSBURY, and MR. KELVIN SCHUCHART. Mr. Plager earned his B. A. at the State College of Iowa. He teaches freshman Social Studies, World History, and Psychology. He assists in football as line coach and helps in track. Mr. Kingsbury attended the State University of Iowa and Drake University to receive his B. S. in Education. He is the Guidance Director and team teaches the Freshman Social Studies course with Mr. Plager. An able golfer, he coaches that spring sport. Mr. Schuchart earned his B. A. at the State College of Iowa. He is now working toward his M. A. in Economics at Drake University. He teaches American History, American Government, Economics, and Sociology.

Industrial Arts Department

MR. ROBERT STONE is the man with the most---the most equipment, that is! He has charge of the all new Industrial Arts wing of the building. He received his B. A. from Iowa State University and he teaches Industrial Arts I, II, and III. In addition to all this, he spends many frightening hours clutching the dual controls in an attempt to turn out the future safe drivers of America from his Driver Education courses. He will teach Driver Education this summer in Carlisle's first session of summer school.

Physical Education Department

The two gentlemen who are very much interested in physical fitness and the "wide world of sports" are MR. CHARLES DOSTAL and MR. ROBERT SPENCER. Mr. Dostal attended Parsons College to receive his B. A. He teaches in junior high and is the head high school football coach. He assists in boys' basketball and coaches all junior high athletics. Mr. Spencer is the high school physical education instructor. He has charge of the backfield in football, and he is head girls' basketball coach and boys' track coach. He earned his B. A. at Parsons College and he received his M. A. at Colorado State College.

Language Department

Left to right are MR. J. ANTONIO PRIETO, MRS. MARY SHULTICE, MRS. BETTY JEAN RIVKIN, and MR. JOHN GARVEY. Mr. Prieto attended Midland College and Drake University to receive his B. A. and he has nearly completed his M. A. at Drake University. He teaches Spanish I and II in the high school and junior high Spanish. Mrs. Shultice earned her B. A. at Ottawa University, Kansas, and her M. A. at Smith College in Massachusetts. She is now working on her Ph. D. She teaches English Literature, American Literature, and Speech. Mrs. Rivkin has a B. F. A. from the Fine Arts College of Drake University. She teaches freshman English, sophomore English, and Practical English. Mr. Garvey taught these subjects the first semester.

Science and Mathematics Departments

Left to right are MR. JACK TAYLOE, MR. RAYMOND BOYD, AND MR. FRANK BURTON. Mr. Tayloe received his A.B. at Central College at Fayette, Missouri, and his M.A. at Memphis State University. He teaches Algebra I and General Science. Mr. Boyd obtained his B.S. and M.S. in Education from Drake University. He has nearly earned his Ph. D. from Nebraska Wesleyan and Capital University at Columbus, Ohio. He teaches General Science I, Biology II, Chemistry I, and Physics I. Mr. Burton received his B.S. in mathematics from Iowa State University and his M.S. in science teaching from Illinois University. He teaches General Mathematics, Geometry, Advanced Algebra, and Trigonometry and Analytical Geometry.

Vocational Homemaking Department

The Homemaking Department is graced by the smiling face of MRS. VELMA CROSBY, who has been guiding the sewing and culinary efforts of CHS girls for the past thirteen years. It is with deep regret that we regard her retirement next year. Through hard work and faithful help, she has become an asset to our faculty. Mrs. Crosby received her B.S. at Kansas State University and did her graduate work at the University of Chicago and Iowa State University. She teaches Vocational Homemaking I, II, and III.

Business Education Department

Heading the Business and Commercial Department is MR. DWIGHT SUBBERT (left), who received his B.A. in Business Management and Accounting from Buena Vista College in Storm Lake, and also MR. CHARLES BEAM, who obtained his B.S. degree in Business Administration at Simpson College in Indianola and has studied at Drake University and State University of Iowa on graduate work.

Music Department

Keeping the Music Department in perfect rhythm is left above MR. DELBERT SCHIEBEL, who has earned his B.A. and worked for his Masters at Drake University and MR. ROGER CHRYSLER, who also received his B.A. from Drake University. Mr. Schiebel directs many various vocal groups and teaches Freshman English while Mr. Chrysler conducts all instrumental ensembles and gives numerous private lessons.

Seniors: Uphold the school with hard work.

Hard-working seniors and sponsors are, LEFT TO RIGHT: Kelvin Schuchart, Cecil McGinnis, Karen Lane, Jean Cummings, Bob Rauscher, Jack Cooper, and Dean Van Ryswyk.

"The Door to Success is Labeled Push" is one motto that the senior class of 1963 won't have any trouble carrying out. The sixty-four ambitious seniors are working hard to attain their present goal-- Chicago, and will continue to work hard so their ideals and goals of life will be recognized. As the members of the class leave "this new house" and go on to the innumerable houses of higher learning, they will carry with them many fond memories. Standing out in the cold December weather selling Christmas trees; arguing over the color of caps and gowns; the "simple" tests in physics and trigonometry; and the night the basketball girls and boys practiced together; are only a few of the memories which will always be dear to their hearts. Whatever the future brings to the members of the Class of 1963, the firm foundation they received during their high school days will carry them ever forward and they will PUSH open the door to success.

ROBERT RAUSCHER
President
I'm not at all superstitious, but I wouldn't sleep thirteen in bed on a Friday night.

RON BRANDOW
Vice-President
I'm not lazy-- I just don't like to work.

TERRY V. BROOKS
Secretary
Still they gazed and still they wondered that one small head could carry all he knew.

KELVIN SCHUCHART
Sponsor

CECIL G. MCGINNIS
Sponsor

KEN LAVERTY
Treasurer
Laugh and the class laughs with you, but you go to the office alone.

TOM ADKINS
God bless the man who invented sleep!

GARRY ANDERSON
The only thing simple about this test was my answers.

JACK BAKER
The most undeveloped territory in the world lies under his hat.

**CHARLES BARTH-
OLOMEW**
He'd stop at St. Peter's roll call to argue.

WILLIAM BEECH
He tries to be dignified but his actions betray him.

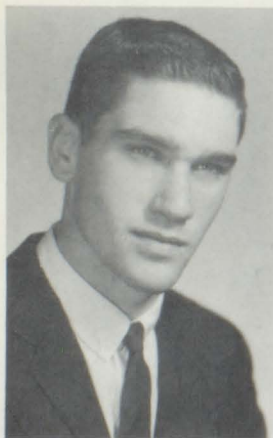

JANE BLAKE
Can she twist?
She's the torque of the town!

CHARLES BROWN
Onward men! If you sight work turn back and try another way.

Class of 1963

**CHARLES
CALLAHAN**
The harder I try the gooder to be the worser I am.

TERRY CAMPBELL
He turns off the ignition to try out his clutch.

FAYE CARDWELL
She saved her Confederate money thinking the South will rise again.

SHARON CHAMBERS
I've stopped looking for the ideal man and started looking for a husband.

MARLA CLARK
When she laughs
the world laughs
with her.

JAMES COCHRAN
My forefathers
blazed the trail; I
burn up the roads.

STUART COON
I'd like to be bash-
ful, but the girls
won't let me.

JACK COOPER
He's just too
wrapped up in
sports to get out
and get the exercise
he needs.

SHARON COURTNEY
Please, dear, not
with all those satel-
lites taking pictures.

Class of 1963

JEAN CUMMINGS
Her tactics are a
combination of
needle and threat.

KAREN DALESKE
If at first you don't
succeed--try some-
thing else.

JACK EGGERS
When I feel like ex-
ercising, I just lie
down and the feeling
goes away.

JUDY ELLISON
Charm is a way of
getting the answer
yes without having
asked a clear ques-
tion.

RICHARD GLOOR
Destination unknown
--he'll get there
someday.

BARB
GROENENDYK
She's as unplanned
as a hiccup.

JANET HENNY
Heredity determines
the color of her eyes,
but environment
lights them up.

DONNA HERBOLD
I developed an en-
tirely new person-
ality yesterday, but
my father made me
wash it off.

NANCY JENKINS
The only exercise I
get is jumping to
conclusions.

V. AILENE KEENEY
She keeps the pedes-
trians in good run-
ning condition.

SHERYL KELLEY
A cheerleader is
often noted for her
hip-hip array.

Class of 1963

TOM KING
I'm the REAL KING
of this page.

LINDA KING
To be well dressed
you need the figure,
flair, and fiscal
fitness.

KAREN LANE
She's so full of pep
and ready to go;
maybe that's why
she chatters so.

BARBARA LANG
I never let studies
interfere with my
education.

BOB LUKENBILL
Anyone who thinks
the younger genera-
tion isn't creative
should watch me
build a sandwich.

JOHN MARKS
It takes a good man
to evade the girls
this long.

WANDA MARTIN
For the girl who has
everything, a police
whistle comes in
handy.

KEN McCAUGHEY
Oh Lord, please
prop me up in all my
leaning places.

**CARL JOE
McCONNELL**
I like mystery books-
physics and trigo-
nometry.

Class of 1963

**KATHLEEN
McGINNIS**
Some things have to
be put off dozens of
times before I fi-
nally forget them.

JAMES MORRIE
Chivalry isn't dead
madam--I am.

WILLIAM NICKLE
Music hath charm;
so have musicians.

DONNA PENDRY
Generally speaking,
she's generally
speaking.

JERRIE PIKE
Lead me not into
temptation; just
tell me where to
find it.

STEVE PORTER
I don't hold a grudge
--not even against
people who have done
things to me I'll
never forgive.

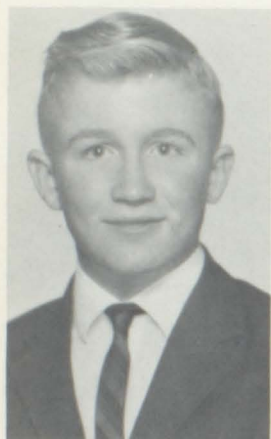

DUANE PRALL
I wish they had cush-
ioned chairs in class.

NORMAN PRESTON
My face isn't red.
It's just the reflec-
tion from my shirt.

CAROL RHOTEN
A blush is beautiful,
but often inconven-
ient.

DENNIS RICHARDS
Nothing separates
the men from the
boys like the cost of
automobile insur-
ance.

MARY ROBBINS
Her future is
planned.

Class of 1963

SANDRA SEE
Frequently with my
brain I gently think
a thought.

PATRICIA ROTHFUS
To a smart girl men
are no problem--
they're the answer.

BARBARA
SHETTERLY
I'm small, but so is
dynamite.

MARY SHULTICE
Boys are bothersome,
but I like to be both-
ered.

CAROL SIMERSON
It is better to be
small and shine,
than to be large and
cast a shadow.

DANNY SINCLAIR
If school is liberty,
give me death.

KAY TONEY
She thinks she's
Teddy Roosevelt;
she runs from store
to store yelling
CHARGE!

D. DEAN VAN
RYSWYK
Conscience gets a
lot of credit that
belongs to cold feet.

ROBERT WAKEHAM
It is the man who is
full of mischief that
keeps the world
alive.

Class of 1963

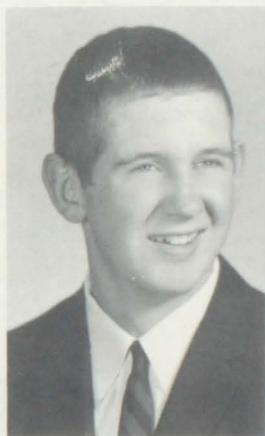

LIONEL WALKER
Going out with him
is like playing check-
ers. He makes a
move and the girl
jumps.

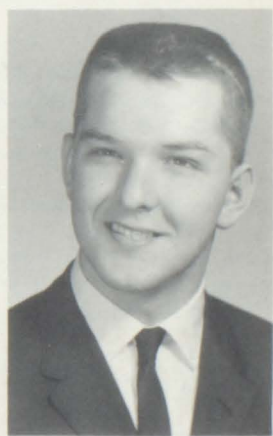

ALLEN WILLIAMS
In my desk my books
do lie; they are at
rest and so am I.

NANCY WILLIAMS
She's as restless as
a windshield wiper.

LYNN WILSON
He's so young he
still whistles at
dogs.

DENNIS WOOD
Studying makes some
people wise, but it
makes me otherwise.

The Junior class in a high school is like glue under a picture or the "yummy" layer between the cake and the frosting. By their Junior year the students have accomplished many feats and sacrificed much for the good of the school, but in most cases have received limited credit. By the junior year the unrestrained energy of younger days is guided to useful purposes. Many of the boys are displaying mechanical abilities on an initial car, while the girls seriously experiment with fads and calories. Leading this ambitious group in 1963 were President, Danny Roach; Vice-President, Bob Sinclair; Secretary, Jane O'Shana and Treasurer, Sandy Rhoten. The Seniors were honored this year with an "Evening in Paris". Money for this and other coming expenses was acquired partly through diligent work at bake sales and in the junior class play, HILLBILLY WEDDIN'

Swingin' Sophs Add Laughter to C H S Halls

STANDING: Greg Tilton, Treasurer; Craig Petre, Vice-President; and Mr. Dwight Subbert, Sponsor. SEATED: Dwight Niday, President; and Susan Kirkpatrick, Secretary. Mrs. Betty Jean Rivkin is also a Sophomore class Sponsor.

You may think the only difference between a Freshman and a Sophomore is five credits and a driver's license but that isn't exactly true. By the time a student gets to be a Sophomore he has started to learn about the finer things in life such as falling off the biology stools, receiving the cherished "W2's", and executing the fabled goodnight kiss.

The Sophomores did very well on their magazine sales this year. They are saving their money so they can give the Seniors a good Junior-Senior Banquet next year. For their class party, the Sophomores went roller skating and had a ball as usual. It seemed that Mr. Subbert knew this shortcut . . .

We feel that the school is happy to have such a fine group of Sophomores, among them many standouts in the fields of vocal, band, and athletics.

Fine Group of Freshmen Entered C.H.S. Last Fall

Freshmen at CHS are allowed to eat with the upperclassmen! Can you find the two seniors in this picture?

This year CHS was blessed with an unusually talented and intelligent group of freshmen. It didn't take them long to get into the swing of things here at the high school and before too long they were as much at home as the most experienced seniors. With a large class of more than eighty, the freshmen have been the victims of the first experiment in team teaching--the social studies course.

They have been good students and have been active in athletics and many clubs and organizations, which indicates a good adjustment to high school. The freshmen are catching on to the romantic idea which is very prevalent these days. Probably every freshman girl has sighed upon seeing an upper-classman fellow while all the freshman boys are probably remembering all the fun they had in eighth grade with the girls back in junior high!

For the second year Wildcat gridgers have terrorized the Suburban Conference football scene, outscoring their opponents by 44 points. Launching a furious running and passing attack, the Wildcats attained a one-time rating of number 10 among class B schools in the state, and held down the number 3 spot in Suburban standings by compiling a season's record of 5-3. A triumphant moment for C H S came on the gridiron when the Wildcats won their first Homecoming in three years by rolling over Urbandale 33-19. Senior fullback, Jim Cochran, led the offense this year as he gained a total of 804 yards and was honored by being elected "Back of the Year" by the squad. Senior end, Jack Cooper, was named "Lineman of the Year" and was placed on the All-Suburban Conference at the right end position. Aggressiveness and pursuit of play characterized our men of the field who so finely represented our school this past season.

Wildcats Smash Jays on Homecoming

One event which is always looked forward to with much enthusiasm by the students is the annual Homecoming celebration. This year the coronation of the queen in the gym Thursday night marked the beginning of the two-day festivities. Afterward in the parking lot, the cheerleaders led the spirited group in exciting cheers around the bon-fire as the enemy was hoisted up, then plunged to a fiery death.

Friday was "Silent Day," an experi-

ment at CHS. It was designed to keep the students from talking during the regularly scheduled classes, thereby saving their strength and voices for the game that night. Game time saw the mighty Wildcats roll over a strong Urbandale team, 33-19. A victory dance was held in the cafeteria following the game, thus bringing another successful Homecoming celebration to a close.

You haven't lived until you've counted out eight steps to five yards with a group of 65 students at seven-thirty in the morning in twenty degree temperatures! These high steppers made a mutual effort to warm up chilly half-times at CHS football games. The bright red wool uniforms more than served their purpose, as each band member suffered through unbearable heat while performing with twenty other bands at the Ames Band Day festivities. Mr. Roger Chrysler, the new director, used many new ideas to stimulate the interest of each member, thus making the season a successful and rewarding one for all those connected with Marching Band.

By defeating Ankeny 52-37 in the Sectional Tournament, Carlisle was able to bring home the runner-up trophy and advance into the District held at Osceola. The girls had a fine season boasting 13 wins and only 3 losses in the regular season. Carlisle scored 840 points this year as opposed to 697 for their opponents. High scorer for the season was sophomore, Judy Prine, who netted 255 points. Co-captain Jane Blake followed with 231 and Sylvia Callahan had 222. The outstanding guards were Co-captain Jean Cummings, who was named to the All-Suburban Conference first team, Ailene Keeney, and Barb Groenendyk.

The fine record compiled by these girls was due to the determination and spirit they showed throughout the season.

Boys' Face Tough Foes

Having to compensate for a "perennial lack of height," Coach Dwight Subbert and his fighting Wildcats based their season's record of 7-8 on a tremendous amount of "hustle" and desire. Leading the offensive attack were senior forward, Jack Cooper, who hit at a 12.4 clip per game to head the scoring with 186 points, and two junior guards, Rick Middleton and Howard Garnett, who pumped in 185 and 101 points, respectively. Senior center, Ken McCaughey, led all rebounders as he cleared the boards 106 times in fifteen games. Co-captains for the year were Jack Cooper and Ken McCaughey.

Swingin' Along

Is it possible that one four letter word can have several interpretations to fourteen Carlisle students? The answer is "Yes" if the word happens to be "FOUR!!" and the fourteen students are participants in the Carlisle golf program.

"Swingin' Along" up and down hill and around vale, they carefully tried to out-maneuver their opponents and bring back another Carlisle victory. To win, you must practice, so practice it was. Alternating nights, practices were held after school on the new football stadium site under the supervision of Mr. Donald Kingsbury.

Wildcats Sprint to Track Victories

When Coach Robert Spencer came to C. H. S. in 1957 he was ready to revolutionize the track program. In 1958 he was lucky to get 10 boys out, but now he coaches a squad of 77 boys, all utilizing the school's best possible program of physical fitness. The Administration has provided good facilities for what could become one of the best track layouts in the state of Iowa.

Before Coach Spencer came to us, (which, incidentally is still his first teaching and coaching job) he was an outstanding high school trackman and a Freshman letterman in track at Parsons College where he threw the javelin and ran the 440 yard dash. In the service he worked as an athletic non-commissioned officer where he coached football, basketball, softball, volleyball, and track.

When he first began to take the boys to meets, the name of our school was seldom pronounced correctly. Today, by competing well against many larger schools including Suburban opponents Johnston, Urbandale, Ankeny, and Saydel, we are ranked among the top Class B schools in the state. C. H. S. has won the district title for the past three years and placed third in the state

outdoor in both 1961 and 1962. This year we have been second only to Ankeny in both the Suburban Conference Indoor and Outdoor.

The Wildcat Relays, which were started in 1958 by Coach Spencer, had its sixth annual running this Spring. C. H. S. took 3rd in the Varsity Division and 4th in Jr. -Varsity Division and set a new meet record in the mile relay in the Varsity Division. This year the event drew 34 schools and over 600 athletes, both boys and girls. Last year C. H. S. won both divisions.

Many relays have been added to the schedule recently to prepare us for keener competition in our own class. They are: Drake Relays, Perry Relays, Ankeny Relays, Valley Relays, and S. C. I. Relays.

In closing, Coach Spencer says that he looks forward to the new stadium and track in hopes that C. H. S. may soon have the facilities to accommodate the Suburban Conference, District, and even State meets. He asks us to keep in mind that "A coach is only as good as the people he has to work with, both students and other coaches."

*Wildcats Host
to 600 Athletes*

This year the WILD-CAT RELAYS were attended by 34 schools and over 600 athletes, both boys and girls. School was dismissed early and everyone ran down to the field to see the crowning of the queen. Immediately following the coronation the gun sounded and the first event started with great excitement and much determination. The meet proved to be a success with all the schools giving a superb performance which added to the enjoyment of every event.

Wildcat Relay Queen Sandy See. Attendants are: Sylvia Callahan, Sandy Thompson, and Ailene Keeney.

Chain Reactions

Relay Queen Sandy See gives ribbon to boyfriend Chuck Callahan and he contentedly leaves. Track Captain Chuck Bartholomew comes to claim ribbon and kisses the queen. It looks like fun to Jack Cooper who also tries to kiss Sandy but unfortunately Chuck C. returns to guard his property and catches Jack in the act. He raises a trophy in an attempt to lower the boom on Jack.

Hillbilly Weddin'

Under the capable hands of Mr. John Garvey, a wedding took place this year at C H S. The picture at the right captures the joyous occasion during the junior class play, "Hillbilly Weddin'". Many long hours of practice and rehearsing preceded the event which was given in one night performance and two matinees.

Many a feminine heart fluttered at the sound of Brian Rubin's southern drawl, and many a fellow (hillbilly or not) longed to put his rattlesnakes in the same box with Sandy Rhoten's.

All in all, it was a very successful and worthwhile performance, and the juniors are to be complimented on their debut in drama.

"Ma and Pa take daughter to the altar." Bearded Garry Patterson stands between Sandy Rhoten and Judy Courtney.

"How dare you hide behind a lady's skirt!" The cute couple is Jane O'Shana and Brian Rubin.

Wildcat and Wildcat Tales

Those of you who have heard Jerrie Pike and Mr. Charles Beam "cussing" and "discussing" the gentle art of Journalism have been witness to the making of a yearbook. This WILDCAT is the result of the hard work of the staff members and the guidance of Mr. Beam. The school paper, the WILDCAT TALES is also under the direction of Mr. Beam. Ailene Keeney began the year as the Editor of the WILDCAT TALES, but as time marched on (as it sure did!) her services were needed on the WILDCAT. It takes a great deal of co-operation to create a good yearbook.

Student Council, N H S Active in School Life

"Homecoming" and the "Wildcat Relays" are two of the highlights which everyone looks forward to during the year. The responsibility of planning these two important programs is carried on by these Student Council members. A great deal of time and effort is put forth by each member to obtain a truly successful event.

In order to help finance these ceremonies, the Student Council joins hands with the National Honor Society in the annual project of selling various assortments of candy to the students and adults in and around the community. This has proved to be a worthwhile affair for both organizations.

The Carlisle Chapter of the National Honor Society currently has the largest membership in the history of the C. H. S. The Chapter grew to 27 members at the annual tapping of new candidates on March 5th. Seventeen of these people are seniors, five of them, Rick Gloor, Ailene Keeney, Kathy McGinnis, Jerrie Pike, and Kay Toney, having been members since their sophomore year.

The high points of the activities this year were the installation ceremony at which new candidates were inducted and Mr. Kelvin Schuchart, who is a member of College National Honor Society, gave a speech; and the joint project of the candy sale with the Student Council.

Meet Our Government Gals

On April 28, 1963, the city of Washington D.C. was graced by the smiling face of CHS's own Sandy Rhoten, one of our outstanding juniors. Sandy, who spent the week in the home of Representative John Kyl, was chosen to go by writing an essay on why she wanted to go to Washington and what she hoped to gain from the trip.

While visiting at the home of Mr. Kyl, Sandy was able to visit many historical sites of great interest, including the Lincoln Memorial, the Capitol Building where she sat in on sessions of both the Senate and House of Representatives, the Washington Monument, the Pentagon, the Tomb of the Unknown Soldier in Arlington Cemetery, the Statue of Iwo Jima, the United States Supreme Court Building, and the White House, in which she was most interested.

Very pleased with her trip, Sandy would like to express her gratitude to the John Kyl's the Legion, the Carlisle Chapter of FTA, and her history teacher, Mr. Kelvin Schuchart.

Sandy is shown at the Des Moines Airport with her teacher Mr. Kelvin Schuchart, who encouraged her to write the essay to win the trip.

This is Kathy at the Legislature. It was a long session but well worth the experience.

Kathy McGinnis was chosen to be a page in the State Legislature this year. She will be majoring in some form of political science in college and this motive helped her to be chosen for the position. Mr. Schuchart also assisted Kathy in her government outlook. Kathy served as a page in the House of Representatives and the junior and senior classes were able to see her in action as the House was in actual session when they visited at the beginning of the second semester. Although the session was a long one which meant a lot of work for Kathy at the Legislature as well as her school work which she had to keep up, she is certainly glad that she was given the opportunity to see how the state government really operates.

Members

BACK ROW, Left to Right: Alan Havens, Art Henny, Rick Gloor, Joe McConnell. FRONT ROW: Allan Powers, Jackie Reeves, Terry Brooks, Kathy Wittkowski, Norman Preston, Ed Bowles.

The young scientists in this community are concentrated into an organization known as the Carlisle Science Association, commonly called the Science Club. The group is comprised of eleven members, ranging from Freshmen to Seniors. Mr. Jack Tayloe, the freshman science and mathematics instructor at CHS is the sponsor of the group. The group has accomplished many things this year, among them: adoption of a new constitution; participation in an all-day field trip; planning the Carlisle Science Fair; attendance at the Hawkeye Science Fair; and the showing of three films during the regular meeting time.

All of the seniors in the organization are going on to college next fall to major in some field of science. Everyone was happy to have had such a successful year. Officers for next year are: Allan Powers, President; Jackie Reeves, Vice-President; Kathy Wittkowski, Secretary; Art Henny, Treasurer; and Ed Bowles, Librarian Reporter.

Scientific minded Rick Gloor shows his Science Fair project to Mrs. McGinnis and explains how the "do-floppy" rotates on the "thing-a-ma-jig."

Father Was a Housewife

"An apple a day keeps the doctor away," but not in the cast of the Senior Class Play, "Father Was a Housewife." Chuck Callahan, who played the part of Tom Butler, the successful housewife but not too successful songwriter, couldn't even keep his doctor-wife away with limberger cheese!! Their sixteen year-old twins, Jack Cooper as "Doug" and Kay Toney as "Julie", don't seem to appreciate the fact that Mother brings home the "feed" and Father cooks it. As a result, Doug becomes a motorcycle fiend with a strange attraction for the law, and Julie revolts against all authority as she experiences the agonies of her first crush without the guidance of her mother. As management of the household changes again and again, Tom suddenly becomes a successful songwriter and he reassumes the control of the household duties, saying that he needed the atmosphere for inspiration.

AT TOP: Stars Chuck Callahan and Sandy See with Director, Mrs. Mary Shultice, center. AT BOTTOM: Who wears the mustache in this family? Sandy See or Chuck Callahan.

"Golly Karen, I've got to quit using this greasy kids' stuff!!"

Kay Toney waits patiently while Karen Lane fixes hair before debut.

Jack Cooper "dwells" in anxiety before stardom.

F H A Dance

King Jack Cooper
and Queen Sandy Rhoten

"Two Hearts in a Fountain"

Although glistening snow blanketed the ground on the night of February 24, the theme of the annual FHA Dance was as warm as a summer evening in June. In tune with the theme, "Two Hearts in a Fountain," the cafeteria became a park, complete with fountains, park benches, and even a pond. Handsome couples were to be found dancing, enjoying the delicious refreshments, and sitting on the park benches. The highlight of the dance was the crowning of the King and Queen, Jack Cooper and Sandy Rhoten. What a perfect couple to reign over a perfect evening!

The FHA girls and Mrs. Crosby, their sponsor, are to be commended on their lovely party!

An Evening In Paris

April 27, 1963 in the Campus Room at the YMCA, the junior class and their sponsors entertained the senior class and their sponsors at a scrumptuous banquet to begin an "Evening in Paris."

It was indeed "Gay Paree" for following the delicious meal everyone went to either the Paramount or Des Moines Theaters to see either "Nine Hours to Rama" or "The Birds." The threatening weather didn't affect the beautiful girls or the manners of the boys. Everyone was having a lovely time.

"An Evening in Paris" soon waned into the wee hours of the morning but the dance floor was still densely populated with swayers to the good music of the dance band.

The night's activities were terminated by a welcomed pancake breakfast prepared by the Lions' Club. A lovely and eventful "Evening in Paris" was successfully completed.

"Well, Jim, are you enjoying your meal?"

"Faye, may I please have your autograph?"

From Left to Right Are: Mr. and Mrs. McGinnis, our two wonderful bus drivers, and Mr. and Mrs. Don Van Ryswyk, the two other chaperones.

The Windy City

May 28, was the immortal date that the Seniors breezed into the windy city of Chicago. Did they notice any fatigue after enduring a seven hour bus trip--no--they stormed through the Brookfield Zoo, nearly losing some members at the monkey cage.

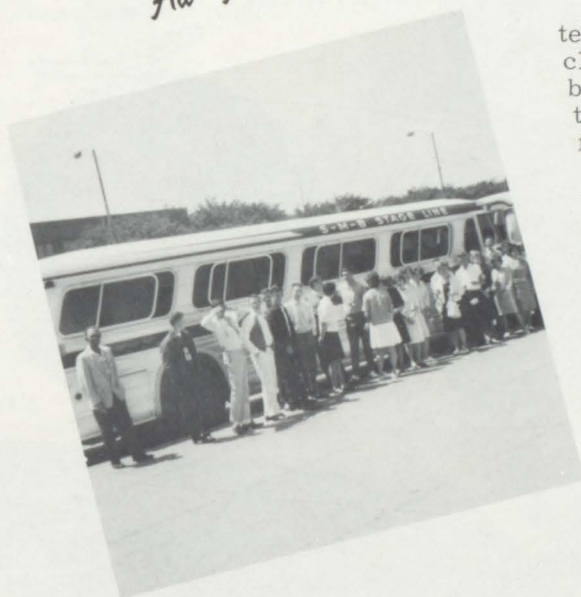

After establishing their temporary residence in the Croyden Hotel the group trickled like raindrops to the wonderful cinerama "How the West was Won". Following the early evening boat ride, everyone was free to investigate the thundering city's many facets.

Thursday was perhaps the most intellectual of the three exciting days, including several tours of the most famous buildings totaled with dinner in Chinatown and a spectacular floor show at the famous Conrad Hilton.

Friday, after being entertained at the Don McNeil's Breakfast Club and after completely saturating each store on State Street and Michigan Avenue in a free afternoon of shopping, the foggy exhausted Seniors were once again hazed into their buses to begin a quiet trip home; leaving the storm of the windy city behind, all but the rich memories.

Class of '63 First to Graduate in Football Stadium

Bob Rauscher, president of the senior class of 1963, commented that "we are the first class to graduate out-of-doors--and if it rained, we would be the first class that didn't graduate!" But luckily the night of June 4, 1963 was a beautiful, starry night. The wide football field, which had only been accustomed to the shifting of the defense and the crashing of bodies that only could mean football, was suddenly transformed into a flowery ceremony of commencement that was witnessed by the smiling and tear-stained faces of hundreds of parents and relatives. All 64 seniors received their diplomas and had it signed. Reverend Jerry Triplett delivered the Baccalaureate Sermon, which was simply entitled, "Love." The Commencement address was delivered by Dr. Joseph Walt, of Simpson College, and it was entitled, "Who are You?" Senior receptions were held after, at the homes of Mr. Cecil McGinnis and Ken Laverty.

Junior High Gridders Post Perfect Record

The Wildcats gunned through a perfect season, posting victories over Suburban Conference school Ankeny, Altoona, and Johnston. The offensive standout was Jim Sinclair who bulled the ball home six times, twice on runs of 85 and 86 yards. Tom Brandt scored two touchdowns on runs of 5 yards each, and Craig Sanford raced 85 yards for a TD. against Altoona. Ivan Halsne galloped 60 yards to score in the final match.

Wins Title by $\frac{1}{2}$ Point

The junior high track team, under the instruction of Coach Charles Dostal, hustled through a flawless season by winning all their meets. Their first meet was a triangular with Urbandale and Johnston. Carlisle scored 52 $\frac{1}{2}$ points, while Urbandale was second with 46 $\frac{1}{2}$ and Johnston last with 29. Altoona was their second victim as CJHS skipped away with 62 points and left Altoona with only 18! The grand finale of the season was the Suburban Conference Meet held at Ankeny which saw our squad battling with the Eagles from Saydel over top honors. The outcome was more than close--CJHS 39 $\frac{1}{2}$, Saydel 39! Urbandale finished with 34 $\frac{1}{2}$, Johnston with 28, Altoona 25, and Ankeny 13.

This is the "speedy" 440 yard relay team which helped to compile all those points this year. From left are: Jim Sinclair, Ivan Halsne, Bill Schooler, and Tom Brandt. Behind the boys is Coach Charles Dostal, who holds the trophy the squad gave him after winning the Suburban Conference Championship.

"Take that, you beast!"

On Leaving CHS

We, as seniors, cannot be looked upon as paragons of the species, but we are probably far better than most. We have led and upheld C H S in every phase of school life. We have led the student government in a seemingly hopeless quest for greater rights and privileges--for the responsibility to prove that ours is a maturing generation of sound judgment and dependable character. We have led the struggles for greater academic achievement and athletic supremacy. We have risen as far as possible in high school but we have come to the abrupt and inevitable end which befalls all seniors! After two short ceremonies commonly dubbed graduation, we have been pushed into the seething world of adulthood, leaving behind us empty stadiums and gyms, lonely classrooms, shadowed hallways, teachers and administrators filled with relief, and many, many dear friends. In September of 1963, you, the next senior class will fill the stadiums with clashing players and cheering crowds. You will fill the gyms with hustling, sharpshooting cagers. You will fill the classrooms with attentive minds and piles of books. You will fill the hallways with the chatter and laughter of school life. You will give the teachers hours of torment and you, too, will have many, many dear friends with whom to share the experience of being a senior. But in June of 1964, you will join the class of '63 when you become just another memory--a picture on the wall or a name in the file.
