Mission Statement

To initiate and encourage school and community loyalty and spirit. To promote and enrich the social, economic, cultural and physical well-being of its members in order to preserve and maintain our heritage.

Greetings! This year we have expanded our scholarship program and have added an Investing in Your Future award! \$500 gift cards will be presented to four seniors entering a skills program that requires the startup purchase of tools or special clothing. The board also voted to commit to a \$4000 investment into the high school's Skills USA program. We will continue to provide scholarships to students enrolling in a two year trades school and four year colleges.

What is Skills USA? It is a program offered by CHS which supports students enrolled in training programs in trade, technical and skilled service occupations, including health occupations. Some of the occupations pursued at Carlisle this year: cabinetmaking, commercial baking, culinary arts, carpentry, customer service, firefighting, crime scene investigating, nurse assisting, care & guidance of children, technical education, welding, and entrepreneurship. We proudly strive to meet the continuing education needs of ALL graduates! We are holding a **KICK-START fundraising** effort for the Skills USA commitment. Here are the amounts of contributions for individuals to be listed as a sponsor. Ask your company if they will match your donation!

Gold- \$250 Silver \$100 Wildcat Red \$50
