CLASS PROPHECY

A PAGE FROM CORKY ADAMSON'S DIARY

March 25, 1960

Dear Diary,

Well, I just got back from seeing my girl who recently returned from a visit to her old classmate and friend, FRANCES LOUISE BATTEN. I understand she is now married to FRANK DOUGLAS SHULTZ and is running a boarding house. She is also taking in washings on the side trying to get enough money to clothe the little Franks and to repair Frank's car so he can find a job.

After telling my gal how sweet she was, she told me about the other members of our class who had entered the wide, wide world. I was told that my old buddy and classmate, PHILLIP DUANE MOTT, had finally tamed IVALEA ANN OVERTON down and married her. He is now President of Yervardale College, and IVALEA is the Dean of Women.

I then asked about ANNA MAE CONANT whom I had known quite well as being a man-hunter. I was surprised to hear that she had failed to trap a man. She started a school of charm for girls so that other girls might not end up in the same lonesome condition as she.

When I asked about ELDON DWIGHT FUTRELLE, I really found out about two of my old classmates, for DWIGHT had joined in marriage with SARA IRENE FORD. DWIGHT was now a barker at a side show where SARA was a dancer who went under the name of "Shiver Hips."

WANDA GENELLE RAWSON, as I already knew, was in the United States Senate. She had already set Filibuster records because of her ability to talk fast and steadily.

I thought I had read something in the paper about CHARLES EDWARD PRALL being the swoon sensation of the year, and my girl confirmed this report. It seems that instead of employing a band and bus, he takes along ambulances and doctors to aid the swooners.

I was told that VIRGINIA LEE JUSTUS had thoughtlessly ruined her career by giving a thoughtless reply. It seems that when the president of a large cheese firm asked VIRGINIA what she thought of being elected "Miss Limburger Cheese of 1960," she replied, not fully understanding the question, "It smells!"

BETTY LOU CLARK was the only person in the class (besides me) to get her wish. We all knew she wanted five little boys, and from the story I heard she got more than her share. One morning after she had wakened, she went to get the milk. Suddenly she heard a whine on the front porch, and there in a basket was a little boy. Soon everybody heard of this, and every morning from then on she would find more boys with the milk. Finally she built a large house, which is known as the Clark Home for Boys.

BILLIE RUTH DIKES has become a scientist and is hiding because she has received threatening notes from school children. You see she is trying to find the cure for day dreaming.

Oh, yes, diary, I should add that tonight I proposed to my girl, BETTY JEAN PRALL, and she accepted with the provision that we must listen to Jerry Smith every Saturday night. You know, if I didn't know BETTY better, I'd say she liked him.

Goodnight ! !

CLASS WILL

We, the Senior Class of 1949, of The city of Carlisle, county of Warren, and state of Iowa, being of sound mind and memory, do hereby make, publish and declare this to be our last will and testament, hereby revoking any will or wills heretofore made by us.

I, EARL HUSTED ADAMSON, do hereby will, devise, and bequeath my ability to ask a question to HARVEY LEE BATTEN, who is always at a loss for words when the teacher asks him a question.

I, CHARLES EDWARD PRALL, do hereby will, devise, and bequeath my low voice to ROBERTA JO ANNE PETRIE, so she won't have to sing high notes all her life.

I, BETTY LOU CLARK, do hereby will, devise, and bequeath my ability to get a husband to JOYCE LUREE BARTHOLOMEW, because we hear she has a secret fear of being an old maid.

I, BETTY JEAN PRALL, do hereby will, devise, and bequeath my home location to JAMIE DOLORES WELLS, who would appreciate living closer to that certain someone.

I, FRANK DOUGLAS SHULTZ, JR., do hereby will, devise, and bequeath my wolfish instincts to DONALD RALPH BARTHOLOMEW, because he is so shy.

I, ANNA MAE CONANT, do hereby will, devise, and bequeath my love of basketball to DIANE MARIE SMITH, who, I understand, doesn't care much for it.

I, WANDA GENELLE RAWSON, do hereby will, devise, and bequeath my ability to talk at 100 miles per minute to EDWIN ANDREW TINLIN to overcome that Southern drawl.

I, BILLIE RUTH DILKS, do hereby will, devise, and bequeath my ability to delay getting to school to JOAN SHULTZ, who seems overly anxious to get there.

I, ELDON DWIGHT FUTRELLE, do hereby will, devise, and bequeath my ability to skip rope for hours at a time to EVA CLARA SPURLING, who gets so exhausted in physical training.

I, VIRGINIA LEE JUSTUS, do hereby will, devise, and bequeath my affection for under-classmen to CHARLES WESLEY PETERSON, who seems to concentrate on upper-classmen.

I, SARA IRENE FORD, do hereby will, devise, and bequeath my qualities of leadership to JOHN WESLEY PALMER, in hopes that he will edit the annual next year.

I, PHILLIP DUANE MOTT, do hereby will, devise, and bequeath my ability to resist feminine charm to JIM GOODHUE, because that Buick is a big attraction.

I, FRANCES LOUISE BATTEN, do hereby will, devise, and bequeath my interest in out of town men to BARBARA LOU REED, who considers Carlisle boys dull, so I hear.

I, IVALEA ANN OVERTON, do hereby will, devise, and bequeath my feeling for that certain Senior to ALLIE MAE OVERTON, who has an over supply of fondness for that same upper classman.

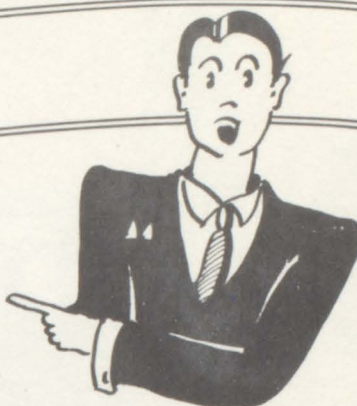

I, EARL HUSTED ADAMSON, do hereby will, devise, and bequeath my typing ability to CHARLES DWIGHT NICHOLS, who could use some of that Adamson speed.

I, FRANK DOUGLAS SHULTZ, JR., do hereby will, devise, and bequeath my ability to keep my car (ahem!) running to WILLIAM FRANK BENDER even though his streamlined sedan never goes on the blink.

In closing, we, the entire Senior Class, do hereby will, devise, and bequeath all of our abilities and talents to any wise Junior who may wish to take advantage of them.

"TAKE YOUR MEDICINE"

Wow! Leave it to young Bill Jackson to get himself into a terrible jam. But can you blame him for not correcting a wrong impression when fifty thousand dollars are at stake? Bill is a Doctor of Philosophy and a college professor. His fiancée's wealthy uncle likes medical doctors but is prejudiced against professors. When Uncle Henry is introduced to Dr. Jackson, he thinks that Bill is a surgeon...and nobody corrects him because he promises to give Angela and Bill \$50,000 for the first life Bill saves.

Mr. Dodson and Mr. Puckett are two hospital roommates who keep the hospital staff in hot water from start to finish. Also there is the witty orderly, Jack, and the funny Dovie Finkledink. Adding to this really different farce are the pretty young nurses and the personable Bill.

"A CREDIT TO THE FAMILY"

Trudy has changed her name again! Vainly her bewildered boyfriend, Jerry, strives to change his life as she changes her name. Trudy has become Elizabeth Barrett Browning and poor Jerry knows nothing of poetry except that which appears on Valentines. To make matters worse, his father is trying to swing a business deal with the wealthy Mrs. Tyson, whose son is a regular "information please" when it comes to literary quotations. His affect on Trudy is amazing. The other girls forsake the soft-ball team and Jerry's sister forsakes her "Tarzan" boyfriend. The boys are furious, and they are about to douse Robert with a bucket of water when in comes Mrs. Tyson and Jerry's father. Father's business deal is almost lost. The boys take up literature to prove that they are regular guys. Trudy changes her name, Mrs. Tyson is made happy, and Father swings his deal to make a laugh-sparkling conclusion.

GIRLS BASKETBALL

TOP R-Deaton-Justus-Petrie-Dilks-McKissick-Cummings-Shultz-Shivers
Ford
BOTTOM R-Wells-Marsh-Futrelle-Coach Boughton-Sweeney-Rawson-Smith

Carlisle started the season with only one returning veteran from last years squad, Genelle Rawson. Teaming with her to form the defensive unit of the team were Diane Smith and Margaret Sweeney. With no veteran forwards returning, the trio of Patty Marsh, Jamie Wells, and Patty Futrelle were counted on to carry the offensive threat.

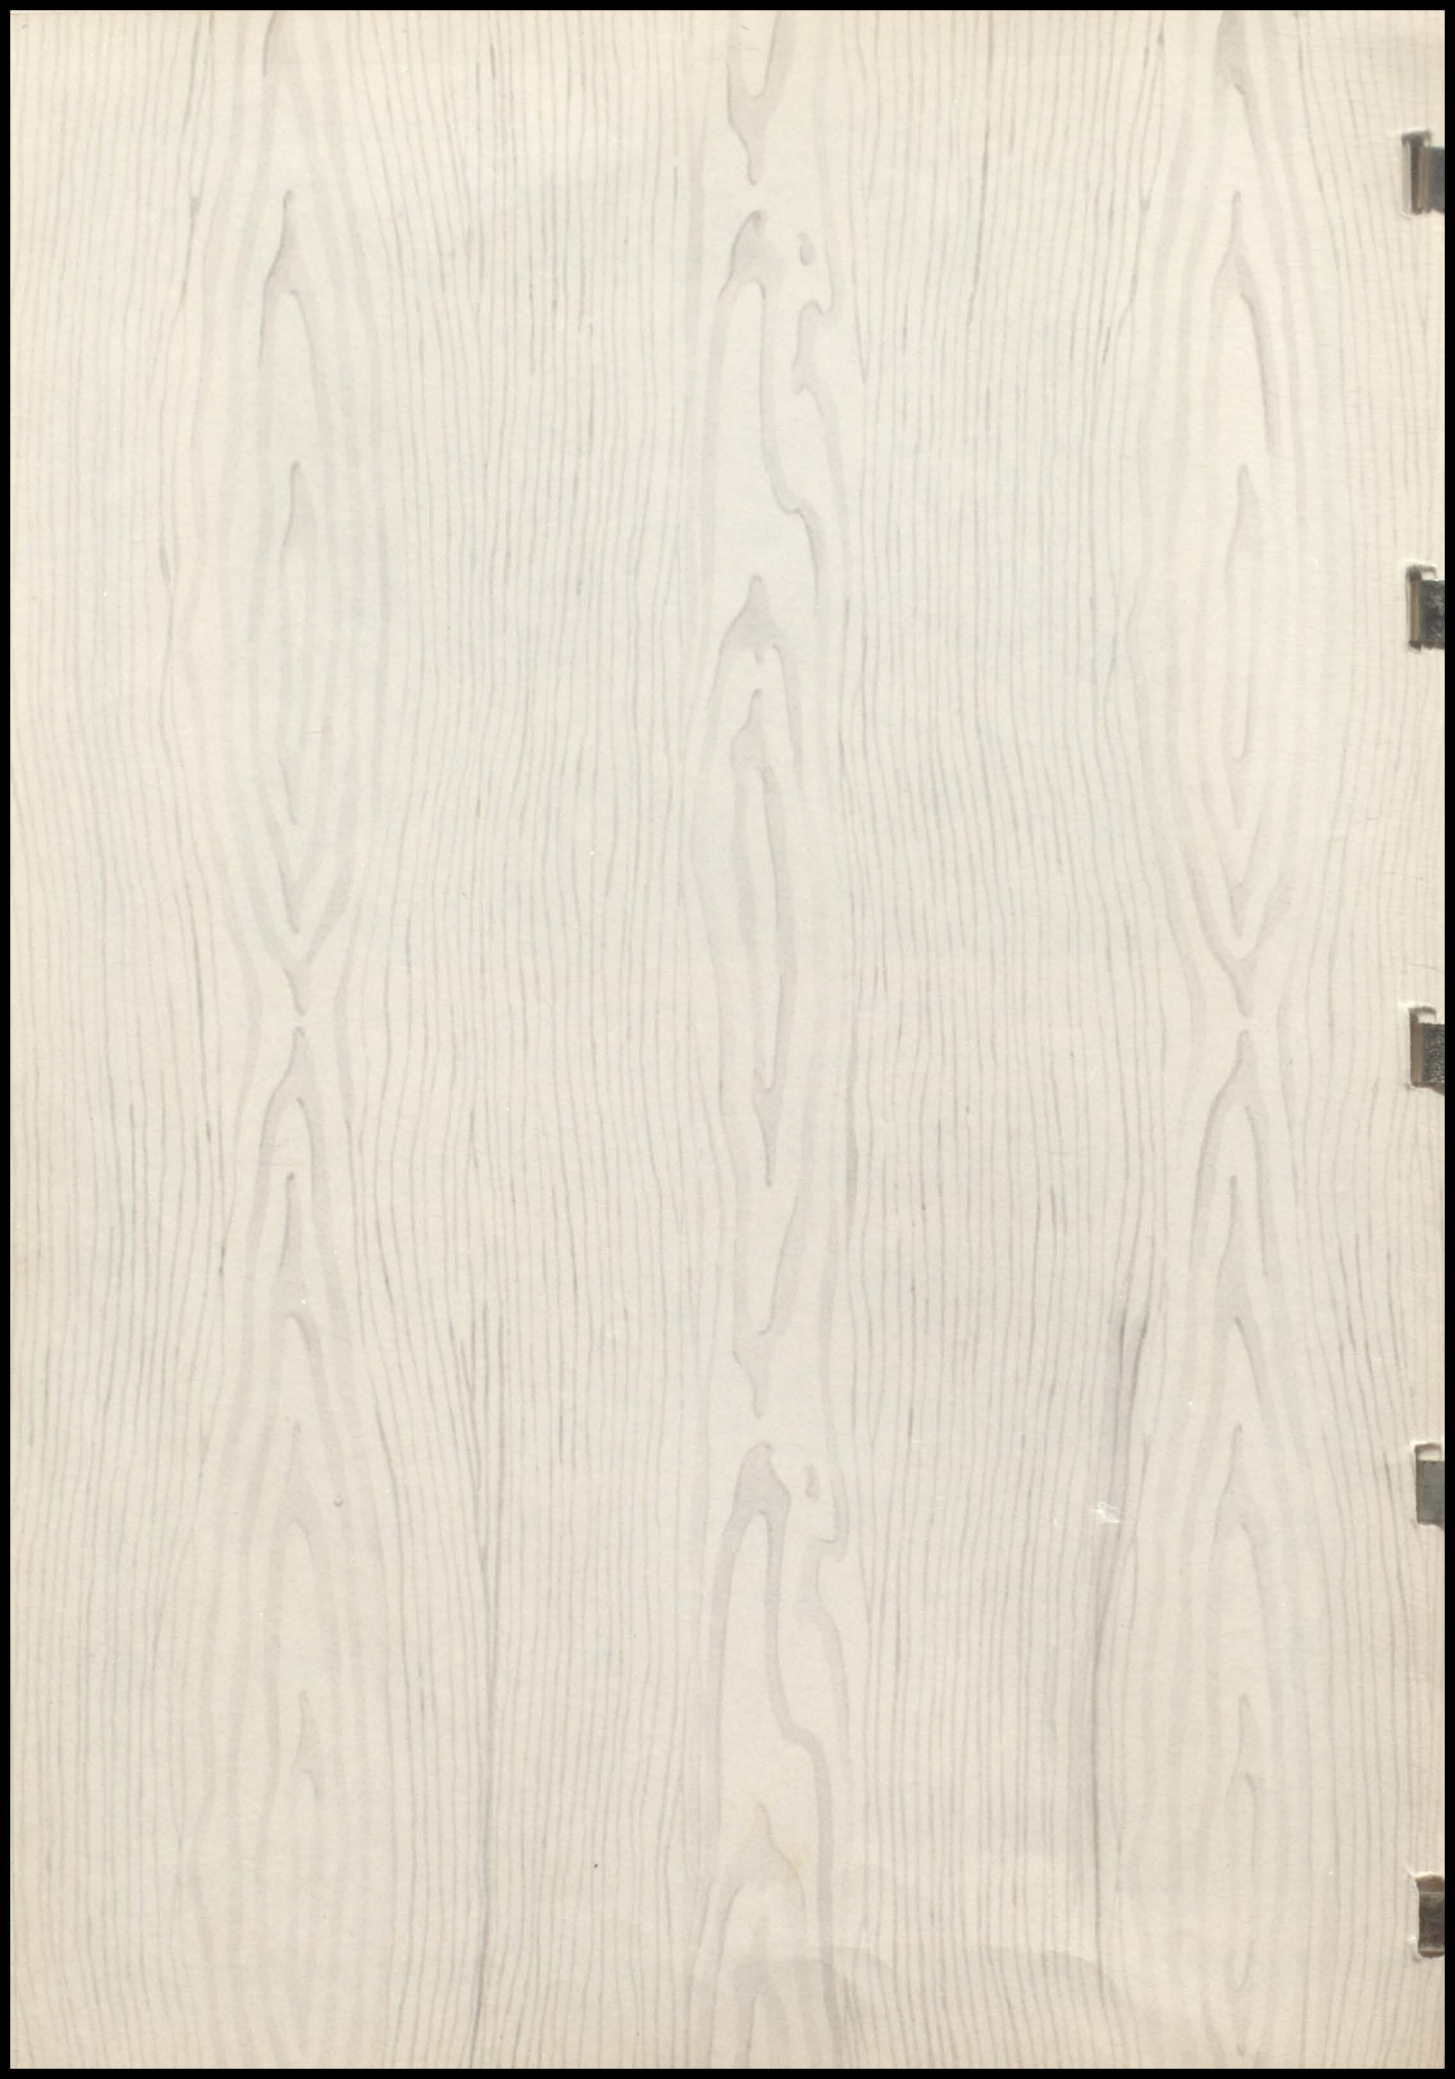

The first of the season was dimmed by the lack of experience on the team; however, as the season progressed, the team improved considerably. Genelle Rawson was a stand out all season in her defensive play and rebounding. After gaining more experience, the two other guards also made a very good showing.

As with the guards, the forwards suffered from lack of experience, but after several games, the girls gained confidence and improved rapidly, until at the last of the season they played their best game, beating Bondurant 38 to 21. At the seasons end, Patty Futrelle topped the girls in the scoring department.

The season was then climaxed by a trip to Des Moines to attend the Girls State Basketball Tournament. Genelle Rawson, Billie Dilks, Virginia Justus, and Sara Ford are the seniors graduating from the team.

The scores for the '48 and '49 season were as follows:

WE	TEAM	THEY	WE	TEAM	THEY
28	Lacona	43	37	Pleasantville	31
36	St. Marys	30	26	Hartford	51

Two veterans of the previous season, Corky Adamson and Dwight Futrelle, with lettermen Duane Mott, Frank Shultz, Gary Fowler, and Duane Halterman formed the boys' team. Others who played regularly were Harvey Batten, Don Bartholomew, and a newcomer, J. D. Muir.

Although many combinations were used during the season, none could be found to form a constantly winning team. Many of our defeats were by only a few points, but they were, nevertheless, losses. The sophomores and juniors saw a large amount of action in order to gain experience for the next season.

At the County Tournament Carlisle met defeat at the hands of Hartford 27-25 in one of the closest games of the tournament. This was the first Hartford victory over Carlisle in the past few years.

The last game of the season saw the boys play one of their best ball games defeating Bondurant (a team who had previously beaten them) by the score of 39 to 29.

The boys season was then climaxed by a trip to Iowa City to see the Quarter-finals of the Boys' State Tournament. '48 and '49 season scores were:

"I Didn't
RAISE MY
Boy To BE
A Football"

This year football was added to the sports schedule at Carlisle. Through the efforts of Mr. Thomas and Coach Boughton, the school bought all new equipment, which included the construction of a new football field.

This sport was enthusiastically received by both the supporters and the squad. Because the first part of the season was spent largely in drill, therefore only three games were scheduled. These were one with Runnells and two with Pleasantville. Our first game was with Pleasantville on their home field, where we were beaten 26 to 12. We then played Runnells under the lights on their home field. Again we were beaten 12 to 7. Although we were very close to Runnell's goal line all during the game we could not score. We then played Pleasantville on our home field which was the first football game held in Carlisle for many years. During the game both Carlisle and Pleasantville played bitter, hard fought football, with Pleasantville winning by a score of 26 to 14. Although the season was ended with 0 won and 3 lost record, Carlisle made excellent showing in all three games considering the fact that both Pleasantville and Runnells were undefeated for the season.

Since this annual is being published before the opening of the baseball season, information concerning the baseball team is not available.
